

The UUK Concordat and the UKRIO Code of Practice are integral to the University's [Ethical Policy Framework](#) which applies to all of the University's activities and all members of the University community.

Research leaders are accountable for ensuring adherence to this framework in respect of the nature, conduct, dissemination and foreseeable end-use of research and the behaviour of researchers. Researchers are expected to make objective research decisions and, where

Research which is carried out overseas should also comply with the legal and regulatory requirements of the country/countries involved.

Researchers must comply with all legal requirements relating to non-proliferation and dual-use, particularly export controls. Export controls apply to the transfer (by any means) of goods,

Research Misconduct Policy

The University is committed to 'using transparent, robust and fair processes to deal with
