Annual Statement on Research Integrity 20 22

Background

recommendations set out in the Science and Technology Committee's <u>report on research integrity</u>, published in July 2018. Research England and UKRI require compliance with the Concordat as a condition for receiving research funding.

The Concordat requires institutions to make an annual statement on research integrity which is made publicly available and submitted to Universities UK. In accordance with this requirement this annual statement provides details of activities undertaken to enhance research integrity and demonstrate compliance within Loughborough University.

Summary of ac tions and activities undertaken to support research integrity
