- monitored as the longer-term impact of Covid-19 became clearer and work continued on the new University strategy.
- ii) The RAG ratings for several key measures including those relating to sport experience, and student placements had changed from green to amber reflecting reduced opportunities for students linked to the impact of the pandemic.
 - iii) An error in the paper was noted: under 'a culture that delivers success', it was stated incorrectly that the continuation measure had moved from green to amber rather than amber to green.

21/3 Update on University Response to Coronavirus

SEN21-P3

Senate received an update on the University's response to the coronavirus pandemic. The Vice-Chancellor began by thanking all members of the University community for their response to the Covid-19 challenge.

The Chief Operating Officer provided an update on the University's operational response and management of the pandemic, highlighting several specific points. The University's working assumption was that it would be possible after the Easter vacation for all
